

REMARKS

Herewith, Applicants request correction of the title to reflect the presently claimed invention (i.e., “High Specific Activity” as opposed to “Great Specific Activity”). Applicants respectfully submit that this amendment is of a minor character, does it materially affect the scope of the issued claims, and therefore does not require additional search or consideration. Applicants further submit that the amendment is supported by the specification as originally filed and therefore does not introduce new matter. Accordingly, Applicants respectfully petition for the entry thereof of the instant amendment. Applicants respectfully submit that no additional fees are required, apart from those included herewith. However, in the event that additional fees are required to maintain the pendency of this application, the Commissioner is authorized to charge such fees to Deposit Account No. 50-2101. If the Examiner has any questions or concerns regarding this communication, he is invited to contact the undersigned.

Respectfully submitted,
